## Civil Engineering Magazine Now Available Online

Libraries have the option to subscribe online to Civil Engineering Magazine. Provide your patrons with access to current issues plus the magazine's archive from 2005-2021. Both online and print+online subscriptions are available. Please see 2022 pricing on reverse.

## GEOSTRATA Magazine Now Available Online

Libraries can also subscribe online to GEOSTRATA Magazine with the first online issue starting January 1, 2022. Provide your patrons with access to current issues affecting the practice of geotechnical engineering. Online subscriptions are available. Please see 2022 pricing on reverse.

## ASCE provides enhanced full MARC record reports

Download book and journal XML MARC records from ASCE Library through an institution administration profile. Journal MARC records are available for current journal titles. Download either .mrc or .mrk book MARC records from <https://ascelibrary.org/page/kbartmarcandexcl> page. Reports are grouped by e-books, standards, proceedings, and journals. These MARC records are also available in OCLC/WorldCat.

If you have any remote access needs, please contact ASCE Customer Service at [ascelibrary@asce.org](mailto:ascelibrary@asce.org) and we will work with you.

## Features and Benefits

- **Highly Discoverable and Accessible** – Content is indexed in all major services including Google, Google Scholar, Baidu, Elsevier (Ei Compendex), Clarivate Analytics (Web of Science), ProQuest, Civil Engineering Database, TRID, OCLC (WorldCat), IET/INSPEC, Crossref, SCOPUS and EBSCOHost.
- **Secure Archiving** – ASCE's digital journal and e-book content is securely archived in Portico and CLOCKSS. The archival record includes the back issues of all ASCE Journals and e-books currently hosted by ascelibrary.org.
- **No Restrictive DRM**
- **Librarian Services** – Library administrators have access to run COUNTER 5 compliant usage statistics, update IP addresses, set up institutional branding, download KBART and MARC records, and update link resolvers.
- **Remote Access Options**
  - **Proxy IP or VPN** – Any institution that uses IP addresses to authenticate users can use Proxy Ips (e.g. EXproxy) or VPN to authenticate remote users.
  - **Shibboleth** – We support federated authentication for institutions affiliated with one of the many Shibboleth Federations around the world.
  - **ASCE Library User Login** – Users who log in to their ASCE Library registered account from a campus IP address (including a proxy server or VPN) will be associated with their institution which enables off-campus access while logged in as an ASCE Library user.
  - **Universal CASA** – Users can affiliate with their institution when they access content from a campus IP address (including a proxy server or VPN), which then enables access to their library's ASCE holdings when using a device not connected to their institution's network.

## Ordering Information

All subscriptions must be prepaid. Subscriptions are accepted on a one-year basis only. Multiple-year subscriptions will not be accepted. If previous volumes of the journals are requested, they will be charged at the 2022 subscription price.

- All journal subscriptions are entered on a calendar-year basis. Service begins upon receiving a paid order; back issues for the current year will be sent on all subscriptions. *Civil Engineering* magazine print subscriptions are entered on a random-expire basis and begin upon receipt of a paid order. If back issues of *Civil Engineering* are requested, they will be charged at the single issue rate of \$50/issue.
- There are no agency or library discounts given on subscriptions.
- Domestic rates apply only to the U.S. and possessions. International rates apply for all other countries. For journals and *Civil Engineering* magazines shipped to international destinations, air delivery service is included in the price.

- Requests for cancellation of a print subscription made after an order has been processed and service has begun are subject to a service charge. A credit or refund will be given on the unserved portion of the print subscription.
- Missing-issue requests will be honored only if received within 3 months (domestic) and 5 months (international) of publication date.
- Prices are subject to change without notice.
- Send all orders, payments, and inquiries to:  
American Society of Civil Engineers  
Subscription Orders, P.O. Box 79162, Baltimore, MD 21279-0162

## Usage Rights

Usage rights of active institutional subscribers will be governed by the terms of the current Institutional Online User License, a signed copy of which must be submitted to ASCE. E-mail [ascelibrary@asce.org](mailto:ascelibrary@asce.org) for a copy of the license. Note: To view ASCE's online journals, institutions must have either a fully paid print+online or online only subscription to the current 2022 subscription year.
