AMERICAN SOCIETY OF CIVIL ENGINEERS

# Welcome to the ASCE Library!

ASCE Library delivers the most respected and richest collection of civil engineering content. It is the premier information clearinghouse for both researchers and practitioners in the field of civil engineering.

5 ASCE Library Productivity Tool

# 1 Register

As a registered user, you can get benefits such as free papers, content alerts, and saved search alerts, and take advantage of the tools offered by ASCE Library to streamline your research. Click on the “Register” link and fill out the new registration form.

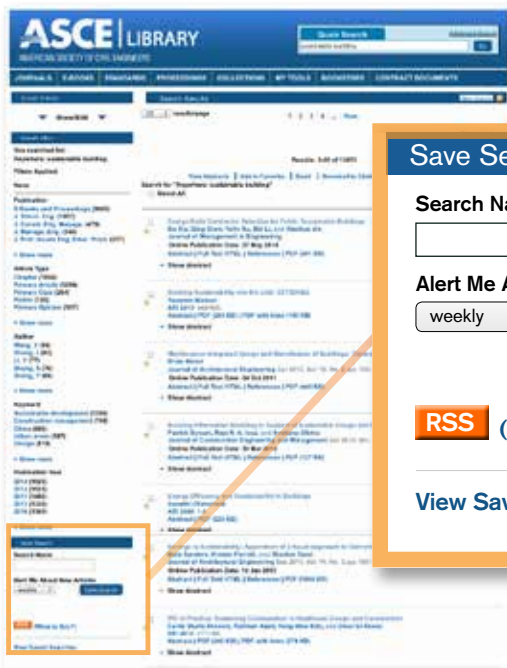

# 2 Quick Search

Type your search term in the “Quick Search” box to start. You may also click on the “Advanced Search” link to specify author, article type, publications, publication year, and/or where in the article the search term appears to get a more targeted result.

# 3 Saved Search

Once you are on a search results page, apply filters to refine your search. Save your search criteria and set up a monthly, weekly, or daily e-mail alert telling you when new material in your interest area is added to the Library. Click on “View Saved Searches” to view or edit all saved searches.

# 5 ASCE Library Productivity Tool

Read, organize, annotate, collaborate, and share.  
Start with the interactive PDF, powered by colwiz™.

## Features and Benefits:

- Annotate PDFs—highlight text, write notes, and draw directly on articles
- Share notes—including annotated PDFs, references, data, and other documents
- Cite references and generate bibliographies from libraries shared with colleagues.
- Read articles on the go—access your references and PDFs anywhere from multiple devices.
- Store in the cloud—save references, PDFs, data, and notes in the secure colwiz™ cloud with 30GB of free space.

For more information, visit <http://ascelibrary.org/page/aboutcolwiz>.
